All:

I have coordinated with the Bravo SOSC/SOSCR regarding Valero as relayed in a previous email. TCEQ (District 12) air folks have been notified of this issue and currently have no available personnel to assist Jhana today. SOSC/SOSCR has contacted Jhana and they are coordinating regarding this issue.

**Subject:** Re: Assessment

Carl, I am requesting that Cheryl's group facilitate contact with Valero and TCEQ for Jhana. Also any information or recommendations they could provide to Jhana to help focus the assessment would be very helpful. Thanks

Understand Jhana Enders will be making entry to do an air quality assessment at approximately 2:00 pm this afternoon. We want to make sure TCEQ has notice. If Jhana has it covered great - but if you need us to assist in contacting let me know.
